

**Student Financial Aid
Research Network**

36th Annual SFARN Conference June 6-7, 2019 Atlanta, Georgia

The Student Financial Aid Research Network (SFARN) Conference is the prime venue for leading financial aid researchers to network, seek input, and share expertise with their colleagues from colleges and universities, state and federal agencies, membership associations, and other non-profit organizations. Sessions will focus on new and recently completed research on some of the most prominent issues in student aid today such as merit-based scholarships, student loan debt, low-income and non-traditional access, trends in state aid programs, and the overarching theme of how students and their families are paying for college.
