SFARN'21

Reconstructing Student Financial Aid for Equity

**SFARN 2021
VIRTUAL CONFERENCE
JUNE 3 - 4, 2021**

The Pell Institute for the Study of Opportunity in Higher Education, is pleased to announce that The Student Financial Aid Research Network (SFARN) 38th Annual Conference will be co-hosted by Trellis Company and the Student Aid Help Desk held virtually on June 3-4, 2021. SFARN Conference is the prime venue for leading financial aid researchers to network, seek input, and share expertise with colleagues from colleges and universities, state and federal agencies, membership associations, and other non-profit organizations. The COVID pandemic has unmasked many systemic issues with our student financial aid system, hence our theme this year is Reconstructing Student Financial Aid for Equity. Please join us for two days of an amazing and collaborative learning experience with the long term goal that we can together, Rebuild Better.
